

**Minutes of the Full Council Meeting of Bradenham Parish Council held on
Monday 13th July 2026.**

Present: Cllr Jones – In the Chair

Ryan Bennett – Clerk to the Council

Cllrs Honeyben, Hutton, Oborn, Langridge and Wooster.

In attendance: Cllr Shade Adoh, PC Bryony Powell.

1. Apologies for Absence

Not present at the meeting was Cllr Stubbings.

2. Declaration of Interests by Members

No declarations were made.

3. Minutes

No amendments were made.

Resolved:

- That the minutes of the meeting held on 11 May 2026 be signed and adopted as a true and accurate record of the meeting.

4. Matters Arising

There were no matters arising.

5. Representations from the Public

No representations were made.

6. Reports

Princes Risborough Neighbourhood Policing Team – PC Bryony Powell:

PC Bryony Powell reported that all incidents recorded in the parish over the previous 12 months had been reviewed, with the majority relating to road traffic matters. Speed enforcement activity had been undertaken and a speed survey completed. One exposure incident had resulted in a person being charged.

There was currently no Community Speed Watch scheme operating in the parish. Members were advised that footage of driving offences could be submitted through the Thames Valley Police website for review and that persistent or specific problems should continue to be reported. Also outlined was use of Section 59 warnings in relation to antisocial driving, which could be issued against both the driver and vehicle, including motorcycles.

The possibility of providing a safe-disposal bin for nitrous oxide canisters was discussed, with a similar scheme currently being trialled locally. PC Powell reported on their attendance at the Summer Fete and provided contact details for the Princes Risborough Neighbourhood Policing Team.

Buckinghamshire Council - Cllrs Shade Adoh:

Cllr Adoh suggested there could be engagement with the Community Board to explore initiatives for older residents, particularly those aimed at reducing social isolation. Possible joint projects with neighbouring parish councils were suggested, including coffee mornings, pensioners' lunches and activities for young families.

It was noted that Bradenham's population was relatively small, with approximately 690 residents, around 500 of whom were based at RAF High Wycombe, and that this should be taken into account when considering the scale of any local initiatives.

Members were also advised that Buckinghamshire Council provides online information and resources relating to severe weather and support for homeless people.

7. Defibrillator Transfer

The Clerk confirmed that ownership of the defibrillator had now been formally transferred from the Rural Community Defibrillator Group to Bradenham Parish Council.

8. Financial Matters

a. Accounts

Members reviewed the accounts year to date as of 30 June 2026, including income and expenditure against the approved budget.

b. Payments

Members considered and approved the following payments:

- Parish Online – Annual Website Fee - £258.00

9. Member's Questions

A member requested that pond maintenance be included on the agenda for the next meeting of the Council. It was noted that 24 of the 25 respondents to a recent survey had indicated that they would be willing to assist with the maintenance of the pond.

Concern was raised regarding parking at the junction of Rectory Lane and Bradenham Wood Lane, particularly at weekends. Vehicles were reported to be parking opposite the junction and near the farm, including those associated with dog walkers, creating potential visibility and access issues.

10. Next Meeting Date

Members noted that next meeting of Bradenham Parish Council will be held on Monday 14 September 2026.

11. Closure

There being no further business, the Chairman closed the meeting at 8.47pm.
